Headquarters For Good Taste

That is what our store is in respect to men's clothes. We have the garments that are correct and up-to-date—that wear well because they are made in the right way from right materials. Our lines of A. Shuman & Co. and L. Adler, Bros. & Co.'s Spring Suits and Overcoats are lines that we are proud to show. We are "old timers" in the clothing business and we know what good clothes should be. The Rochester-Adler models meet our ideas exactly. You say we are "interested parties." You will be an interested party too, after looking over the new styles, therefore we say, come and look.

Good Values in Bananas

As you no doubt know all Bananas are shipped to this country green and sold to the wholesaler from the steamer by the pound. They in turn ripen them in a specially prepared room by artificial heat. They are then crated and shipped, but being ripe they are very easily jammed and often arrive in bad shape. We have fitted up a room for ripening and have made arrangements to buy the green bananas direct from the dock. We have our first lot ready this week.
